Dear Bill:

In response to your letter, it was our station that you heard August 13, 1989 from 2:58 to 3:00am.

Our wattage is 1000 watts day, 84 watts night at 1550. Our tower height is 150' and we broadcast 24 hours. We are affiliated with a few networks...NBC Radio Network, Sun RAdio Network, Florida's Radio Network, and American Radio Network. Our area is New Smyrna Beach, Edgewater Florida and we also carry into Daytona Beach. Our studio is located at 107 Canal Street,New Smyrna Beach and the tower is located at the Smyrna Yacht Club. The farthest we have received a letter from is Port Carling, On. Canada, Union, N.J.; Provincetown, Mass.; and a couple of telephone calls from Marion, Ohio and New Jersey. We are a news and talk station with emphsis on sports, professional, college and local teams.

It was nice hearing from you and many more happy hours of listening.

Sincerely,

Debbie Belz
Office Manager
